2. On 1 April, 15 x 85-mm AT guns and 25 trucks , which had presumably arrived during the preceding night, were seen in the yard of the Flak Kaserne (2002) in Brandenburg. 2
3. Between 1 and 5 April, 2 to 3 generals held inspections in the Kraftfahrer Kaserne (5443), the Pionier Kaserne (5442) and the Infanterie Kaserne (5441) in Rathenow. Approximately 900 soldiers wearing full field equipment lined up for the inspection in each of the three installations. 3  
The driving school previously stationed in the Kraftfahrer Kaserne (5443) recently moved to the Infanterie Kaserne. Tractors were recently observed in the installation. On 31 March, part of the southern vehicle sheds of the Pionier Kaserne was attached to the area of the Infanterie Kaserne. 4
4. At 1800 on 15 April, 8 x 152-mm gun howitzers, 10 tractors, approximately 15 trucks with 8 trailers, 9 boxcarloads of troops and 3 boxcarloads of equipment were entrained for Altengrabow at the Potsdam-Wildpark railroad station. 5 At 2300, 6 tractors, [redacted] and 1 boxcar carrying an escorting detail from Brandenburg were unloaded at the station. 1

1.  Comment. Available information indicates that the 124th Hv How Arty Brig received a total of approximately 60 prime movers with T-34 chassis from the USSR prior to early April. The present report indicates that the brigade, prior to mid-April, turned in 56 tractors, probably for other artillery units in the zone  The prime movers which were detained in Potsdam are quite definitely believed to have been consigned to the 34th Arty Div. 25X1
2.  Comment. The elements of the 20th Army AT Arty Brig which left on 25 March for exercises with the reinforced 94th Gds Mtz Rifle Div in the eastern portion of Letzling Heath, presumably returned to their installation.  25X1
3.  Comment. The inspection of the units of the 6th Arty Div tends to indicate that these units will soon be transferred to the summer training grounds. 25X1
4.  Comment. The tractors are believed to belong to the 65th Mort Brig. The arrival of tractors has not been reported. It cannot yet be determined whether the tractors were to increase the mobility of the brigade or whether they were assigned to the brigade in view of a planned reequipment with heavy mortars. 25X1
5.  Comment. This is quite definitely believed to have been a unit of the 34th Arty Div. 25X1
